

Tarporley C of E Primary School's PTA

SPRING

NEWSLETTER

ABOUT US

A new committee has taken over the running of Tarporley's PTA.

We are all new to this, so please do bear with us if we do things a bit differently.

Stuart Cunningham has very kindly offered to stay on as treasurer until we can find a replacement. But he would like a break, so if anyone can help, you would be warmly welcomed. We are also looking to compile

a list of volunteers who would be willing to help us run events.

We know everyone is busy, so even if you can only spare half an hour to help at a bake sale, we would love to hear from you.

We would also love to hear your ideas about how we can continue to raise money for our amazing school, and, in turn, give our children the very best start in life.

FUTURE GOALS

The school would like to provide a new Daily Mile track.

Children who regularly take part in this nationwide initiative have been shown to perform better in the classroom. They are also fitter, leaner, healthier and happier.

Tarporley is also keen to provide a new home for those who attend Treehouse.

These are big projects which the PTA, with your continued support, is keen to make happen.

WHO WE ARE

Chairman: Keren Franks

Secretary: Shraddha Grindrod

Vice-chairman: Sue Briggs-Harris

Treasurer: Stuart Cunningham

www.twitter.com/ptatarporley

DATE OF NEXT MEETING

Thursday April 27 at 2pm at the school

BOOKS FOR SALE

FOLLOWING the success of the recent book sales, we are planning to open a second-hand book shop in the entrance to the school. If you have any books, which your children loved but no longer need or read, we would love to offer them to other parents. All books will cost just 50p each.

SHOES WANTED

TARPORLEY Primary School is appealing for good quality, second-hand shoes and branded jumpers for its pre-loved shop. Good quality plimsols would also be appreciated.
