SUMMWE TERM 1 - WEEK 2

## We are learning about the HEARTSMART way.

learn about being Heart Smart. We are all very excited about introducing the Heartsmart way across our school as we all learn about the Heartsmart High Five! These five principles will help all of our children here at Tarporley CE be smart with their hearts, helping us love ourselves and others, helping us guard our hearts and process how we feel. It's a great way to help our children build resilience, self-esteem and active empathy for the world we live in. You can find out more on our school website <http://www.tarporleyce.cheshire.sch.uk/news/heart-smart-/24856>
