After School Create Club Starting in September at Tarporley CE Primary School. These will be exciting age specific sessions for Years 1 and 2, Years 3 and 4 and Years 5 and 6. Online bookings will open in July.

If your child loves getting arty or they simply need some time to have fun and relax, don't miss out, as places are limited and available on a first come basis. Creativity is a key skill to foster in children as it develops their thinking skills as well as enhancing wellbeing. You don't have to be a world-class artist to be part of the sessions as they are all about exploring techniques rather than focused on a specific end result so they are brilliant at encouraging participation and enhancing confidence.
