

October 2019

Dear Parents / Carers,

Additional Class for Years 3 and 4

In line with our strategic plan to grow our school we are now in a position to open an additional class in lower Key Stage 2.

We are delighted to be frequently welcoming new families into our school community and now, with the new children that have joined our Year 3 and Year 4 classes, we are pleased to say we will be opening our additional Yr3/4 class - Bluebells.

With our current numbers this means we will have three small classes of around 23 children in each. Pupil numbers may change throughout the year but none of these classes will go above 30.

Our commitment to maintaining high standards for all children is our priority and our curriculum will meet the needs of all learners regardless of their age.

The lower KS2 team (Yr3 and Yr4) have already been working closely on a 2-year rolling programme to ensure progression, consistency, challenge and equality of opportunity for all. This work has taken place with the knowledge that we would be moving to a three-class structure at some point. And that time has now arrived.

We are currently advertising for a teacher to start with us as soon as possible.

You will receive a letter informing you which class your child has been allocated on Monday 21st October. There will be a parent drop in session on Thursday 17th October 3.30 – 7pm; myself and governors will be available to answer any questions you may have.

Governors will also be available to answer any questions you may have during each parents evening. Please see the attached FAQ which may answer some of your questions.

Please be assured that your children remain our priority as we take them on this exciting journey. It will be fantastic to see our school embrace this new chapter.

We appreciate your continued support.

Warm regards

Kerry Forrester
Head teacher

Gill Tyler
Chair of Governors
