

# INNOVATIVE ART AND CRAFT PROVISION

**A creative haven for your child to be inspired to paint, sculpt, collage and make.**

'Create Club' has been amazing at Tarporley C of E school this half term with so many creative projects completed by children from Year 1 through to Year 6 including of course some beautiful festive makes.

Here's a gallery of some of our creations ...

New sessions will be starting after the Christmas holiday with limited places available so please feel free to book via the link below or message me directly for more information. I provide all the tuition, guidance and support needed, along with lots of arty materials for children to create treasured pieces. Our topic for January is one of my favourites '*Awesome Artists*' where we will explore lots of varied artists and their techniques and styles to stimulate lots of inspiring hands on activities.
