Dear Parents,

We are delighted to announce that Tarporley CE Primary School is now in a position to offer the facility for parents to make payments online for school activities such as school dinners and school trips.

The school administration staff has spent an immeasurable amount of valuable time on collecting and keeping track of what payments have been received for the numerous events that take place. This, combined with the burden that you may endure in either finding the correct change or writing a cheque to pay for your child's activities can at times be frustrating.

Our new Schoolmoney.co.uk facility will allow for both parties to experience a more streamlined, cost-effective and efficient payment collection system in a secure and safe environment.

From time to time you will receive a text message and/or email from the school inviting you to access our website as an option to make a payment for school dinners or trips. To ensure that we all experience maximum benefit from this service, we would ask all parents to notify the school office of any changes to mobile numbers and/or email addresses as soon as possible.

With this system, there is also the option to make payments at a PayPoint outlet. Please contact the school office for further details. You will still be able to make cheque payments at school.

We are looking forward to working with Tarporley CE Primary School and hope the new system will make the process of making payments to school more efficient.

Kind regards,

SchoolMoney
