

Lower Key Stage 2 AUTUMN 2023

Optional menu: All these activities are linked to the topics we are covering this term. To satisfy your appetite for more homework, take your pick from our menu!

LIGHT BITES

Autumn is Here!

Autumn is upon us and soon the view outside will look very different. Look carefully at how nature changes – what do you notice? Write a poem to celebrate this time of year.

Bonfire Night

Write a guide entitled *How to Stay Safe on Bonfire Night* to share with the class.

Specials

Research the author of our book for Autumn 1, Baroness Floella Benjamin! Remember to organise your research under headings.

MAINS

Our United Kingdom

In Geography, we will be learning the UK. Choose a place in Britain that is special to you and use it to inspire your work. You could create a tourist guide, a model of a famous landmark, a fact file or piece of artwork to share what makes this place important to you.

Windrush generation

Find out how many countries (or sovereign states) make up the Caribbean. They have some really interesting flags; see if you can recreate a piece of art based on one of them or maybe create a booklet or poster of the flags you like the most.

SIDES

Recommended a read! Create an eye-catching poster about your favourite book. Include a picture (a character or the book cover) and key information or adjectives to describe your book "thrilling", "intriguing", "hilarious" to encourage your friends to read it too.

DESSERTS

Science and Art – Light
Create a silhouette picture.
Paint a sunset background like this one and use black pen or paint to add silhouetted people, animals or trees/hills/buildings.

EXTRAS

Shape challenge

We will be learning about how to make a "net" or a template for a 3D shape. Investigate some common shapes and make your own 3D box. You could decorate it and make it with a lid so you can use it as a keepsake box.
