

# Lower Key Stage 2 SPRING 2024

Optional menu: All these activities are linked to the topics we are covering this term. To satisfy your appetite for more homework, take your pick from our menu!

## LIGHT BITES

### Science — Rocks

We are learning about different types of rock. Have a look around the local areas to see if you can spot natural rock. Maybe you could take some photos and see if you can identify what type of rock it is. You could share your work and ask the class if they know what type of rock you've found. Maybe create a little quiz or give us clues!

### Specials

#### Friendship Rap

Write your own friendship rap or poem celebrating everything that is special about your friends!

Don't be a  
CHICKEN

BURGER  
LOVERS

## HOMework Menu

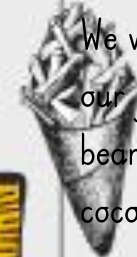

## MAINS

### History — Stone Age, Bronze Age and Iron Age

We are learning about this fascinating period of prehistory. To deepen your understanding, you could create a fact file or poster about one of the following: food and hunting, tools and weaponry or the settlement at Skara Brae.

### Geography

We will be learning about where in the world our food comes from, including the cocoa bean! Research and describe the journey a cocoa bean takes from the plant to the supermarket shelves.

## SIDES

### Cave Paintings

Take inspiration from the caves at Lascaux where over 600 wall paintings from over 17,000 years ago were discovered. Create your own cave painting depicting animals from this period such as horses, stags, cattle and bison.

## DESSERTS

### Computing — Keyboard Kings!

The future is digital so let's get our fingers flexing with our touch typing skills. Have a go on [BBC dancemat](https://www.bbc.com/1/learningzone/2014/04/140423_bbc_dancemat) See how quick you can become. Remember — you must use the right fingers for each key...

## EXTRAS

### Multiplication challenge

We are all working really hard to learn our times tables. Can you design a poster, write a story or create a song/rap for one of the times tables to help your classmates learn it?
