

Dear Parent/Carer

On Thursday 4th July, Tarporley High School is hosting the first of our 'Challenge Days' for Year 5 children from our partner primary schools. This first 'Challenge Day' will be a STEM (Science, Technology, Engineering and Mathematics) day hosted by these subject areas.

I would like to invite your child to attend this event and find out a little more about our school.

The event is taking place on Thursday 4th July, starting at 9.45am and finishing at 2.15pm. Students will travel to and from the event with their own primary school and transport will be provided. Students should arrive to primary school as normal in the morning and will return before the end of the school day. They will need to bring a packed lunch, a drink and a snack. They will also need to wear school uniform.

We look forward to meeting your child at this event and future Challenge Days in Year 6.

Miss C. Blackhurst
Transition Lead
