Monday 27th January 2025

Dear Parents,

We are now in the run up to the KS2 SATs, commencing the week beginning 12th May. Please ensure you have no holidays or appointments booked during this week.

The timetable is as follows:

Date	Activity
Monday 12 May 2025	English grammar, punctuation and spelling papers 1 and 2
Tuesday 13 May 2025	English reading
Wednesday 14 May 2025	Mathematics papers 1 and 2
Thursday 15 May 2025	Mathematics paper 3

We will be holding a SATs Information Session on Monday 3rd February at 4pm in Osprey classroom where we will share more about the assessments and what will happen during that week. It will be an opportunity for you to ask any questions about what the week entails.

Please find attached a book order form for revision material that we use at school. As a school we get the books at a discounted price, so we will do a bulk order to save you money. The link to the website is on the order form if you want to have a look.

This year we will also be running a 'drop in' session for children who would like us to explain something they have come across in their CGP books. This will be held on a Monday afternoon from 3:20pm- 4pm starting on 24th February. The children do not need to come every week and should bring their CGP books with them to work through. We will not be supplying additional resources during this session. If you would like your child to attend some of these sessions please fill in the permission slip below. Once we have received your permission slip, we will expect the children to attend every week unless we hear otherwise from you.

On occasion, we may send home additional pieces of homework with your child. This is to give them a boost in a certain area if we notice they lack confidence or need a little more practise. This will be personalised to your child, not all children may be required to complete the same task. We would appreciate your support with any home learning that is sent home. There will not be a deadline for the work to be returned but we hope that this will help your child progress with their learning.

As always, if you have any further questions regarding KS2 SATs, please contact the Year 6 team via the school office.

Thank you for your support.

Kind regards,

Mr Bonner, Miss Roney and the Y6 Team
