MAINS

Blue John Caverns, Derbyshire

Imagine the Derbyshire Tourist Board has tasked you with making their leaflets and website more appealing for children. Research the caverns and design a persuasive information leaflet or page for a website to entice children to visit the caverns!

SIDES

Why not combine science and art, and create a model of the human mouth to teach younger children how to clean their teeth properly?

DESSERTS

Explore your local environment and create a treasure hunt around Tarporley for another family to follow! Include clues about human and physical features.

EXTRAS
