Dear Parents/Carers

Re: Election of Parent Governor at Tarporley CE Primary School

I am pleased to inform you of the result of our election for parent governor.

Elected: **Adam Butwilowski**

We would like to thank those who put their names forward and we are sorry that there were insufficient places for all those interested this time. In view of the school's responsibility to maintain confidentiality, the number of votes cast for each candidate is not released. However, the total number of votes cast overall may be requested from the school office if this does not compromise an individual's confidentiality.

If you would like to be considered in another capacity as one of our school governors at a later date, please either contact the chair of governors or headteacher. There may also be vacancies in other schools in the area, and if you would like to be considered as a school governor elsewhere, the Cheshire West School Governance team will be pleased to hear from you.

Thank you once again for your interest.

Yours sincerely

Kerry Forrester
Head Teacher

Victoria Adshead
