*Let Your Light Shine (Matthew 5)*

Tarporley Church of England Primary School is a welcoming and friendly Church school that provides high quality education for children aged 5-11. As a Church school we hold our Christian Values at the heart of everything we do. These are: **LOVE, FRIENDSHIP, TRUST, HOPE, FORGIVENESS, JOY & CELEBRATION**

It is very important to us that the children are happy and experience the best education possible. We value strong links and a close partnership between home, church and school and recognise the importance of trust and shared responsibility in education.

## HOME/SCHOOL PARTNERSHIP AGREEMENT

At Tarporley CE Primary we are committed to working with parents and guardians to help our pupils to be as successful as possible in all they do. We ask you to sign our partnership agreement to emphasise the importance of working together. Thank you.

### Introduction

This agreement should be read in conjunction with the information given to parents on their child/children joining the school and at the beginning of each new school year.

All children benefit from a good relationship between home and school and at Tarporley Church of England Primary School we are committed to developing such relationships.

At the start of each new school year, class teachers and their pupils agree a class charter to sit alongside our 'Golden Rules'\*, stating the desired behaviours we as a school expect, and we ask that parents support this.

As a school our aims are:

- Create an enjoyable, safe and nurturing ethos that allows all individuals to develop spiritually, morally and socially.
- Promote caring, sensitive and inclusive attitudes where individuals feel confident, secure, valued and respected by others.
- Provide a broad and balanced curriculum which challenges, celebrates and develops the potential of each child.
- Create a stimulating environment, which encourages enthusiasm for lifelong learning and promotes an expectation of high standards.
- Develop a successful and lasting partnership between home, school, the Church and the wider community.

These create the ethos in which we want our pupils to grow and flourish and they represent our values as a school community.

**\*The school has five "Golden Rules" which were created by the children.**

**These Rules are:**

- ***Think before you act and speak***
- ***Respect everyone and everything***
- ***Try your best and never give up***
- ***Be safe and keep others safe***
- ***Remember your manners***
