

At Tarporley CE Primary School we inspire a love of learning and respect for all.

THE TREEHOUSE

BEFORE AND AFTERSCHOOL CARE

The Treehouse at Tarporley Primary School offers wrap around care for children from Reception to year 6 and are a vital resource for parents that work or need extra help with childcare. The Treehouse is a safe, fun and creative environment for the children for before and after school club.

Breakfast club opens at 7:45am and all children are offered a breakfast prior to school starting at 8:45am. Afterschool club starts at 3:20pm with children escorted from class to the Treehouse. A range of snacks, fruit and drinks are offered every afternoon. The Treehouse closes at 6pm each night.

HOW IT WORKS

We have 5 members of staff at the Treehouse who hold qualifications in play work, first aid and food hygiene and are all CRB checked. Staff concentrate on making sure the children have a variety of activities and toys to keep them occupied whilst keeping them safe and happy.

Fees for the club are £3.50 for breakfast club and £9 for afterschool club. This can be paid by cash, cheque or child care vouchers.

Registrations forms are available on the website and in the 'new starter pack'. If you would like to look around the Treehouse facility, please contact the office.

PARENT COMMENTS

"I would not be able to fulfil my work demands if The Treehouse didn't exist. My children attend before and after school several times a week and enjoy their time there."

"I do not work, but still make use of the after school club at Tarporley. It is very useful when I need a few extra hours at the end of the school day."

Visitors are welcome in our village school anytime. However, if you would like a guided tour with our Head Teacher, Deputy or member of staff please telephone 01244 981230 to arrange an appointment.
